

Tee Up

Pro-rated and championship courses, epic fairways, and lush greens. This is golfing in the Great Northern Catskills of Greene County. Nine golf courses spread across three diverse regions offer experiences to match any skill level; from courses designed by golf's greatest architects, to family-friendly courses perfect for beginners to the game.

River Region courses offer easy access to the links from I-87. At Catskill Golf Resort an NENY PGA Hall of Famer is the course professional, and all golfers can perfect their form at the B. Lowe Par Golf School.

Valley Region courses offer panoramic views of the surrounding Catskill Mountains. Sunny Hill Resort offers two courses, including Thunderhart Golf Course, a par 72 championship course.

Mountain Region courses offer challenging holes and great views. At Christman's Windham House Country Inn & Golf Resort you'll find a 7,000-yard mountain pro course and the largest practice facility in the state.

Stay & Play

Be right on the course for your tee time when you book one of our stay and play golf packages. Get discounts on lodging, special perks, and more when you stay at a Greene County golf resort.
